## Overview of The Challenge - How It Works

Welcome to your **7-Day Spanish Reading Challenge** – designed to help you start reading Spanish confidently in a week. Each day you'll spend 15–20 minutes with the stories and the vocabulary lists.

Here's how it works:

- **Read:** Enjoy one of the short stories without worrying about understanding every word.
- **Review:** At the end of each story, revisit the vocabulary list to check meanings and say the words out loud.

By the end of the week, you'll have read multiple stories, and built a strong foundation of new words – all while proving to yourself that you *can* read Spanish.

## Day-by-Day: How To Do It

### Day 1: Warm-Up & First Story

- Read Story 1 once without stopping for every word.
- Review the vocab list at the end of the story and repeat words aloud.

### Day 2: Deepen Story 1

- Re-read Story 1 slowly, focusing on pronunciation.
- Review the vocab list and say each word twice.

### Day 3: Story 2 – New Vocabulary

- Read Story 2 from start to finish.
- Review the vocab list and practice aloud.

#### **Day 4: Mix & Match**

- Re-read Stories 1 and 2 back-to-back.
- Review vocab lists for both stories.

#### **Day 5: Story 3 – Building Momentum**

- Read Story 3 as naturally as you can.
- Review the vocab list and say words aloud until they feel familiar.

#### **Day 6: Review & Confidence Boost**

- Choose your favorite story so far and read it aloud without stopping.
- Review all three vocab lists in one sitting.

#### **Day 7: Full Challenge – You're Reading Spanish**

- Read all three stories in one sitting, flowing through them naturally.
- Review vocab lists for all stories.
- Celebrate: you've read Spanish every day for a week!
